STAR PRIMER 2023

Programme which masters and creates confidence in exam going students..

Dear Residents & consultants ,

It gives us immense pleasure and privilege to invite you to *STAR PRIMER 2023* from 20th to 22ND JANUARY 2023 at Auditorium, Govt Stanley medical college, Chennai -01. This year, in continuation with the tradition, we have scheduled various case & spotter discussions with interactions, led by eminent faculties.

We would like to dedicate this CME to our PROFESSORS who have been continuously motivating us and serving as divine influencers, ingenious in the field of Radiology and have laid the footprints and shown us an exclusive sign of thorough knowledge by power of teaching and guidance in all possible ways.

PROF.J.R.DANIEL

PROF.T.S.SWAMINATHAN

PROF.N.KULASEKARAN

Aim of this three day intensive coaching course is to build on basic knowledge in order to assist final year radiology post graduates in preparing for their final examination.

This provides an opportunity for each delegate to participate in image interpretation under expert guidance and ensure two way communication. Sessions are designed to conform as closely as possible to the examination format. There will be continuing feedback assessment throughout the course and a final assessment.
